

SAKSHI INDUSTRIES

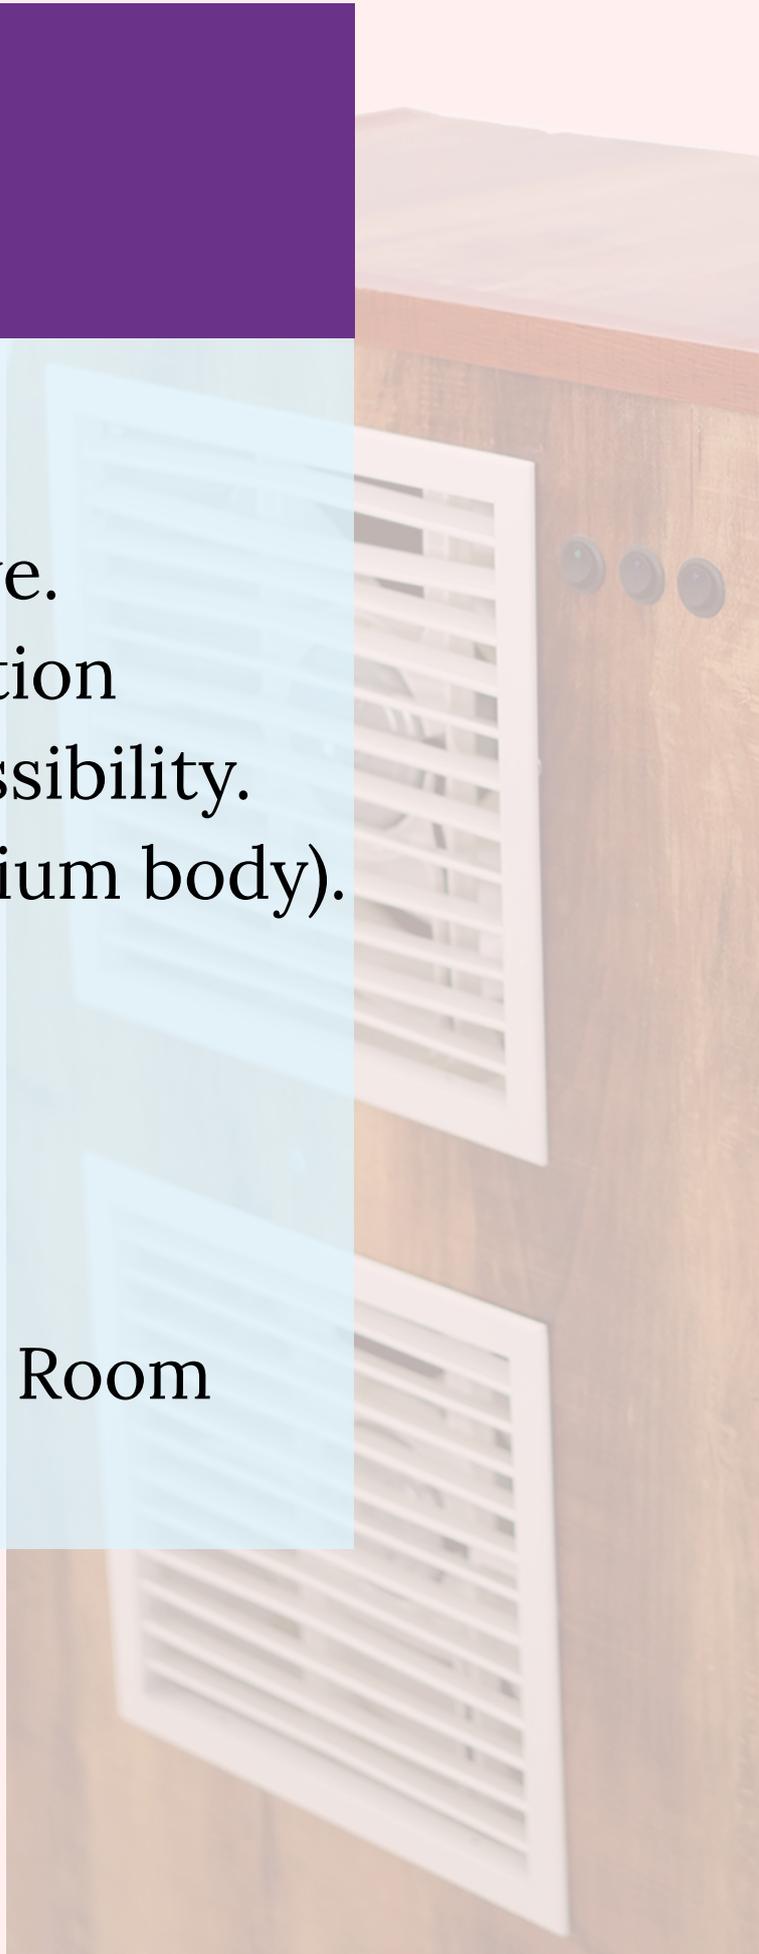

www.sakshiindustries.online

KEY FEATURES

- Noiseless (Silent)
- Aesthetically Attractive.
- Less Power Consumption
- Remote Control Accessibility.
- No Corrosion (Aluminium body).
- Run on Inverter.
- Shock Proof
- High Cooling due to Honeycomb pad.
- Custom Design as Per Room And Window Size.

ABOUT US

India has tremendously hot summers. People living near Coastlines face high Humidity while those living on the plains suffer from the persistent dry heat. Air coolers here come as saviours and cost-effectively offer much-needed relief.

Keeping climate change and consumer requirements in mind, our R&D team works closely with air-cooling technologists to create eco-friendly air-cooling solutions.

Thus, we bring Sakshi cooler range of durable household coolers which is equipped with distinct features and benefits. Sakshi Air Coolers are designed with breakthrough technologies to combat climate change and provide affordable cooling solutions for your homes that supply fresh, healthy air for maximum efficiency and well-being.

1 Fan Cooling Machine

(Only For Personal counter)

- Cooling Area: up to 70 Sq.feet
- Power Consumption: 47 Watts Only.
(1 Unit For 21 Hours).
- Run On inverter.
- Noise: No.
- Remote Control: No .
- Water Tank Capacity: 35 ltr.
- Aluminium Body (No Rusting).

₹6,999

2 Fan Cooling Machine

- Cooling Area: up to 140 Sq.feet
- Power Consumption: 90 Watts Only.
(1 Unit For 11 Hours)
- Run On inverter
- Noise: No
- Remote Control: Yes
- Water Tank Capacity: 60 ltr
- Aluminium Body (No Rusting)

₹15,999

3 Fan Cooling Machine

- Cooling Area: up to 220 Sq.feet
- Power Consumption: 130 Watts Only.
(1 Unit For 7.5Hours)
- Run On inverter
- Noise: No
- Remote Control: Yes
- Water Tank Capacity: 60 ltr
- Aluminium Body (No Rusting)

₹22,999

4 Fan Cooling (Tower) Machine

- Cooling Area: up to 300 Sq.feet
- Power Consumption: 180 Watts Only.
(1 Unit For 5.5Hours)
- Run On inverter
- Noise: No
- Remote Control: Yes
- Water Tank Capacity: 90 ltr
- Aluminium Body (No Rusting)

₹39,999

4 Fan Cooling Machine

- Cooling Area: up to 300 Sq.feet
- Power Consumption: 180 Watts Only.
(1 Unit For 5.5Hours)
- Run On inverter
- Noise: No
- Remote Control: Yes
- Water Tank Capacity: 120 ltr
- Aluminium Body (No Rusting)

₹29,999

6 Fan Cooling Machine

- Cooling Area: up to 450 Sq.feet
- Power Consumption: 248 Watts Only.
(1 Unit For 4 Hours)
- Run On inverter
- Noise: No
- Remote Control: Yes
- Water Tank Capacity: 120 ltr
- Aluminium Body (No Rusting)

₹44,999
